

January 2021

Dear Vladimir Marik

We are writing to you personally to invite you to become a part of ISAPS and to enjoy our residents webinar series, starting in 2021.

Our Society has a special focus on developing the next generation of aesthetic plastic surgeons and providing you with the best educational material, when it is needed most. We want to support aesthetic surgery education for residents during their official plastic surgery training programmes. ISAPS membership is free for Residents for three years and provides you with access to electronic versions of Aesthetic Plastic Surgery, ISAPS News, our monthly e-Magazine, and webinars series. For an annual fee of \$350, ISAPS Resident Junior + members can also access our ISAPS MedOne e-learning platform, which features a fully searchable database of 60 best-selling e-books and 1,400+ teaching master class videos made by top surgeons.

Applications for ISAPS Resident membership are accepted online, here: <https://www.isapsmembership.org/apply-for-membership>

Applicants for ISAPS Resident membership must provide the following documents:

- A certificate or dated letter, written and signed on headed paper by the program director, confirming current enrolment (including start and end dates) in a residency program.
- A dated and signed letter of recommendation from an Active or Life member of ISAPS, on headed paper.
- A CV.

Thank you again for your support, and our warm best wishes to you all for 2021,

Prof Dr Nazim Cerkes MD PhD
ISAPS President

Prof. Dr Paraskevas Vakis Kontoes
MD PhD
ISAPS Membership Chairman and
Board Director

Executive Office:
